GOVERNMENT OF MYSORE

Karnataka State Archives
Nandinagara
Bangalore

My dear Mr Thambu Chetty,

Your letter dated the 22nd July reached me only yesterday! Registered letters take such a long time to come — why I can't understand.

I was very glad to get your long letter. Your letter is the best I have been so short, & contained so little news. I have been rather vexed at this shortness

only racial animosity. One can only lament such acts of omnissia, commissia on the part of Govt. & keep quiet! I don't believe in carrying on Govt. with an ostrich-like attitude of burying one's head in the sand of some body or other.

I was very sorry to hear Mr Hooper had resigned & Mr B. Palmer, grounds. I hope you have had a report of all that he said & done for this 4th in four hours. Pity, I missed him.

I shall send you a programme of this Sl. as soon as I have

I have already written to
this M. to request an interview
to which you refer in
your letter. When is a proper
day for this interview
you can take, this shall
be, I believe, with the
view of this M. & you coming
to a decision.
You say that Mr V. has promised
to publish an apology in
papers for the disloyal letter
he published against this M. & you.
Such an apology from a man

Sort.
of Mr's is to my mind
worse than useless. It would only
make people laugh at the
weakness displayed in this Case
& Retaliation. This was certainly
an instance where a Strong measure
should have been taken & Mr.
to all ones — at least punished.
He should have been at once suspended
the papers for some time. Such
to exact a feeble (as has been
Mr. with) apology from this
Chief & Mr. for after
Lapse of a day since the
publication of those letters &

Dear Thomas Chetty

Your letter re the special claims of Ali Khan based on previous transactions:—

The entire file of publications was sent up to the Secretariat. It contains Ali Khans application, & as I am given to understand, other references also bearing on the subject. Mr Forbes corroborated the claim.

My clerk has gone to fetch the file from the Secretariat. If he does not succeed in getting it, you may officially call for his file of applications. Then with the help of the papers contained in it, other references, if necessary, can be traced & forwarded.

As Mr Khan has asked that his testimonials be returned I am using it as a ground for getting the file back.

Yours sincerely

C. R. Reddy

Sir is also going to Amarnath.
How are the various works
going on - Mr Gyan? Have
they twins on new Lamp Post in
the Hastings Circle?

I hope you are keeping
really well.

Yours sincerely
Yogi Raj
